Why would you like to join the Waquoit Bay Yacht Club?

We love the outdoors, especially summertime on Cape Cod, boating and kayaking etc. We would love to meet other people with the same hobbies. Also we are very interested in our kids taking the sailing program and improving their boatman ship.

How do you feel your membership could benefit WBYC?

We would be active members and strive to participate in as many activities as possible.

What skills would you bring to the club with your membership (for example, good with tools, computer skills, correspondence, leadership, etc.).

I would eventually be interested in the leadership aspect of the club. We both have extensive food service experience and could be available in that capacity. We also have decent computer skills in part due to our professions.

Rank activities or committees you would like to participate in (1-6, 1 being most interested)

2__ Social 1__ Youth Committee 5__ Race 6__ Cruise 3__ House 4__ Waterfront

What other clubs have you belonged to?

I am a 3rd generation member at the Falmouth Rod and Gun Club.
