Why would you like to join the Waquoit Bay Yacht Club?

We have both loved the area since childhood when we visited with gradparents - Bob at Waquoit, Judy in Falmouth. We have been sailing small boats between Falmouth, Waquoit and the Vineyard since our 20's. We would like to connect with a community where we could broaden our sailing skills and connect with others who love the water.

How do you feel your membership could benefit WBYC?

We are handy, live right down the street, will bring tools, will participate regularly in work days as we have done in all our other organizations. Actually, have already checked to make sure there are no work weekend scheduling conflicts with our other club!

What skills would you bring to the club with your membership (for example, good with tools, computer skills, correspondence, leadership, etc.).

Bob has extensive experience with computers.Electrical, mechanical, plumbing. As select board and school comittee members, we have experience managing budgets. We have served in leadership positions.

Rank activities or committees you would like to participate in (1-6, 1 being most interested)

___5___Social___6___Youth Committee___1___Race___4___Cruise___3___House___2___Waterfront

What other clubs have you belonged to?

We are multi-generational members of Appalachian Mountain Club.We are comfortable in member-run organizations where we have served on the Maintenance and the Management committees, done long term planning, fund raising, introduced and managed composting toilets (Clivus Multrum), launched & maintained watercraft.
