

Membership Committee, WBYC

I write to support the application of David and Martha Casiles for membership in WBYC.

I know David from East Marine on Falmouth harbor. He is a very experienced technician and manager in the Marine trades industry.

His personal and professional demeanor is pleasant and welcoming.

I am told Martha is also an experienced professional, tho I have not met her.

WBYC has many knowledgeable people in our membership. Dave and Martha will be a complement to existing talented members.

Respectfully,

Dan O'Grady
