To: Waquoit Bay Yacht Club Membership Committee

We've been members for about 30 years and we enthusiastically support the application of Judith Loughlin and Robert Armstrong for WBYC membership. We have gotten to know Judy and Bob since they bought a home on Seapit Road four years ago. They are a delightful couple and will bring many things to the club.

Judy is an intrepid and accomplished sailor who will be an asset to the club's racing program and sailing community. She is a PhD psychologist who works with schools to improve their performance. Bob spent many summers in his youth on Waquoit Bay. His family was involved in club events and racing. For him, buying a house on Seapit was like coming home. He is an electrical engineer who has held positions with technology companies in the region. He has been active in town affairs and holds a number of leadership positions in their winter home of Conway, Massachusetts including chair of the community broadband and access committees.

Please let us know if we can help your evaluation in any way.

Sincerely

/s/
