To the Waquoit Bay Yacht Club

I would like to sponsor Kathleen Farrell for membership in The Waquoit Bay Yacht Club.

I think she would be a valuable addition to the club because of her personality and willingness to volunteer her time.

As a reading specialist she has volunteered her time helping young children learn to read in each of the communities where she has lived.

In addition to teaching young readers, in the past she has worked at the Edgartown Yacht club helping members and guests while planning and participating in club functions.

Respectfully

Phil Capodanno
