

Letter of recommendation to membership committee chair person

I Chip Benoit, an active member of the WBYC, will sponsor the family of Craig Fleming, Amy Fleming and son Dylan Fleming.

The WBYC needs active members to help sustain our vibrant and fun atmosphere. Our sailing program will benefit from having more club members learning to sail. The Fleming's have pledged to be involved in committees including our sailing program. Their son Dylan has signed up in our sailing program.

I have known and fished with Craig for many years and know he and family will be an asset to the club.

Thank you for your consideration,

Chip Benoit
