

To the Membership Committee  
Waquoit Bay Yacht Club  
March 30, 2019

I am writing this letter in support of membership for Farhana Stevenson and family. I have known their family for many years now as an integral part of the sailing program. Her children have been in the sailing program for many years both when I helped run and program and beyond. They have been wonderful participants in our Youth Fundraiser yearly as well as our LTDs. They enjoy everything about WBYC and all it stands for. It is with pleasure I write this letter and I look forward to seeing their family at WBYC this year.

With Best Regards

Stuart and Karen McLeod
