

To the Membership Committee of the Waquoit Bay Yacht Club

I would like to recommend and sponser Kathleen Farrell for membership in The Waquoit Bay Yacht Club. I have known Kathy for about 11 years. She recently moved to the Falmouth area after living on Martha's Vineyard for several years where she worked as an elementary school reading specialist.

Kathy has the qualities that would make her an excellent member. She is very friendly and outgoing and eager to help out where needed. In addition to being an elementary school reading specialist, she is an enthusiastic kayaker, sailor with a love of the ocean.

Sincerely

Steve Ballo
