Dear Membership Committee,

I am writing this letter on behalf of the Stuart family. I met Steve and Sunshine a while back while doing some work on their house in Waquoit. We have since become great friends. They share a love for the water, the outdoors and good times. Steve and Sunshine would be a good fit for this club as they have two kids, Hunter who is 7 and Presley who is 6. They both show great interest in sailing and love for the water. Every weekend in the summer they spend their time out in the bay on their boat.

The Stuarts have also been very active in volunteering their time at the West Falmouth preschool. They both enjoy spending time in their yard gardening and landscaping. Steve being in the construction business himself would be able to bring the skills this club needs to keep it running.

Please let me know if you have any further questions. Hopefully we will see them around the club this summer.

Yours truly,

Nason Swain

To the Waquoit Bay Yacht Club:

I am writing in support of the 2019 membership application of Steve and Sunshine Stuart. I have known the Stuarts for several years and believe that they would bring a great deal to the Club community as members. Their family, including their young children Hunter and Presley, are experienced boaters with a great love for being on the water and a strong knowledge of boating safety and responsibility. As residents of Waquoit, they would like to establish themselves as members of their "neighborhood" Club and to have their children learn to sail in the waters of Waquoit Bay through our Youth Program.

The Stuarts are also very interested in becoming involved in Club activities, and together they bring skill sets that would benefit both our social gatherings and work parties. I am pleased to sponsor this family, and should they become members, I look forward to helping them integrate into the WBYC community.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Sarah LeBrun".
