

# Summer 2021

## WBYC Junior Sailing Program

Dear families,

We are so excited to be planning for a Junior Sailing Program this summer! Our classes will follow any directives from the state around summer programming, social distancing practices, and disinfecting.

The first 4-week session is scheduled for **June 28<sup>th</sup>-July 22<sup>nd</sup>**. The second session is scheduled for **July 26<sup>th</sup>-August 19<sup>th</sup>**. Each of the two sessions will start with a one-week option, "Intro to Sailing".

We are excited to introduce you to our new Head Sailing Instructor, Korey Charles! Korey is the music teacher at East Falmouth Elementary School. He has been sailing since he was a young boy, and he is looking forward to helping our sailors gain many new skills this summer. You can read his bio [here](#).

Registration will be online this year. It will be open to members and returning sailors starting on Monday, March 15<sup>th</sup>. It will open to non-members and new sailors beginning on Monday, March 22nd. Please access the registration form [here](#). You can also find it by visiting the club website and clicking on "Junior Sailing".

Payment will also be a little different this year. The preferred payment method will be a credit card. Upon registration, you will receive a bill from Quickbooks via Steve Johnson. It will be necessary for you to submit payment within one week, or your spot will not be held. You may also choose to pay with a check. Please mail payments to: WBYC Attn: Sailing Registration/P.O. Box 3434/Waquoit, MA 02536.

**It is much preferred that sailors bring their own Opti to the program. The club has a very limited number of Optis available to rent. Please email the youth committee if this will be a need for you. We cannot guarantee rentals.**

All our best,  
The Youth Committee
