Waquoit Bay Yacht Club
Membership Committee
PO Box 3434
Waquoit, MA 02536

To the Waquoit Bay Yacht Club:

I am writing in support of the 2019 membership application of Steve and Sunshine Stuart. I have known the Stuarts for several years and believe that they would bring a great deal to the Club community as members. Their family, including their young children Hunter and Presley, are experienced boaters with a great love for being on the water and a strong knowledge of boating safety and responsibility. As residents of Waquoit, they would like to establish themselves as members of their "neighborhood" Club and to have their children learn to sail in the waters of Waquoit Bay through our Youth Program.

The Stuarts are also very interested in becoming involved in Club activities, and together they bring skill sets that would benefit both our social gatherings and work parties. I am pleased to sponsor this family, and should they become members, I look forward to helping them integrate into the WBYC community.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Sarah LeBrun".
